California Aid Report (CAR)
Below are explanations of award information on your CAR

**Cal Grant A, B and C Recipients**
- Cal Grant A and B awards are offered for the equivalent of a standard four-year, full-time undergraduate program, if you enter the program as a freshman.
- Your grant payment will be prorated to a lower amount if you enroll for half-time or three-quarter-time status.
- Students enrolled in mandatory five-year programs may receive an additional year of Cal Grant payment. The school you attend can tell you whether your program of study qualifies as a mandatory five-year program.
- Cal Grant C payments are made for no more than the equivalent of two academic years.
- You may be required to satisfy additional requirements before an award offer can be made.
- The award offered may be withdrawn or the award offer amount may be adjusted as a result of the final State Budget.

**Code #1 or 1A - Qualified Applicant**
You are tentatively eligible for Cal Grant A, B, or C. You can only receive one Cal Grant program type at a time. Your school has selected the award type they think will be the most beneficial over the life of the grant. If you wish to change the award type listed, you must meet with a college financial aid officer as soon as possible. Changes in grant program type cannot be made after an initial payment has been disbursed.

**Community College Reserve (CCR)**
You have been offered a Cal Grant A award and indicated that you will be attending a Community College (CC). As a Cal Grant A CC recipient, you will not be paid until you transfer to a school other than a community college. You must transfer within two years to retain this award offer. Please notify CSAC when you transfer to a school other than a community college.

**Code #4 - No GPA Received**
Your GPA was not received by the Cal Grant deadline.

**Code #7, 9, 11 - School Ineligible for Cal Grant A, B, or C**
The school you listed on your FAFSA or CADAA is ineligible to participate in the Cal Grant program indicated.

**Code #16 - Reported Income Over Ceiling Limits**

</tr>
<tr>
<td>- Independent students (with dependents other than a spouse)</td>

</tr>
<tr>
<td>- $56,100 for a family of five</td>

</tr>
</tbody>
</table>

**Cal Grant B Recipients**

**Code #19 - Financial Need Not Met for Award**
The difference between your anticipated school costs and your expected family contribution was not sufficient to qualify you for an award. Due to the limited number of Competitive Cal Grant awards, CSAC will not process updated information after the award selection is held.

**Code #99 - GPA Below Minimum**
Applicants for a Cal Grant A or B must meet the following minimum GPA requirements:
- Minimum GPA for Cal Grant A:  
  - Calculated from high school grades: 3.00
  - Calculated from college grades: 2.40
- Minimum GPA for Cal Grant B:  
  - Calculated from any source: 2.00

**Cal Grant C Technical/Vocational Applicants**

**Code #2 - Financially Eligible Applicant**
You are tentatively financially eligible for a Cal Grant C award. To be considered for this program you would have to satisfy additional requirements before an award offer can be made.

**Code #74 - Ineligible Course of Study or Degree/Certificate**
Eligibility for the Cal Grant C program is based on your intent to enroll in a vocational or technical program. It was determined from your answer to Question 30 on the FAFSA that you do not meet this requirement.
